Notes for JOSEPH CHARLES BOISSINEAU:

Joseph Boissineau - Born July 8, 1788, Montmorency, Quebec, Canada

It was written that Joseph was a Soldier; Voyageur (for the American Fur Company); Canoe/Boat Builder; Carpenter; Catholic; Family man; one of the founders of Sault Ste. Marie; and friend to the people of the "First Nation" He fought in the War of 1812, against the Americans, and helped to capture "Fort Mackinaw" early in that war.

He married Marguerite Catherine Guilmond on November 2, 1826 in Drummond Island, Michigan. At this time place of death is unknown. His wife's parents were Joseph Guilmond and Francoise Otayiamewisque.

It was interesting to find that there were three children born to this couple before they got married. It was said possibly the reason being there were no priests in Sault Ste. Marie at the time.

Joseph was the Progenitor (a forefather) of all the Boissineau's and Bussineau's in the Sault Ste. Marie area from what the researchers were able to find. Joseph was the father to nine children; three from his first wife and six from the second wife.

Joseph's second wife was Nancy (Nannice/Annie/Annay)(Medes/Metas/Medeyinionmetous/Misquabonaqua/Missabonakwe) or Nancy Misquabonaqua. Nancy was born about 1803 and died in 1864 in Sault Ste. Marie.

"ABOUT THE CAPTURE OF FORT MACKINAW"

The British military post at Michilmackinac was transferred to the United States in 1796 by mutual agreement, and the forces stationed there retired to St. Joseph's Island, where a fort and blockhouse were erected. From this latter post, at a subsequent period, issued that famous volunteer contingent of one hundred and sixty Canadian voyageurs, accompanied by a few (30) British regulars with two field pieces, under "Captain Roberts" who effected the recapture of Mackinaw for the British. This occurred on the 16th of July, 1812, the first year of the war. In a subsequent attack by the Americans to recover the post the Canadian voyageurs gallantly attack by the Americans to recover the post the Canadian voyageurs gallantly assisted in its defense.

Mackinaw was again restored to the United States according to treaty stipulations in 1815, when the British garrison found refuge on Drummond Island, in proximity to the former post of St. Joseph. The Canadian voyageurs still preferring to follow the fortunes of the British flag, with one of two exceptions, removed with the forces to Drummond Island. On the completion of the treaty surveys, Drummond Island proved to be in United States territory. There upon the British forces, under Lieut. Carson, commanding a detachment of the 68th Regiment, withdrew to the naval station at Penetanguishene, which event occurred on November 4, 1828.

Joseph lived in the Sault Ste. Marie area most of his life. His first wife was of mixed blood and the second wife was an Indian.

From an old hand written record the following info was found: "After the treaty era all the Boissonneau's became "status Indians for a brief period" in order to gain rights to the land." After the treaty all those who had lived in the Sault and back farms were not acknowledged in their ownership of land. So they were sent where they could get the free land they felt they deserved, I.e., onto the reserve."

Joseph Charles was active in establishment and building of the first Catholic Church in Sault Ste. Marie,

Ontario, Canada. His name appears on a petition letter to the Bishop of Upper Canada dated September 24, 1834. (you can obtain a copy of this letter from the Archives of the Roman Catholic Archdiocese of Toronto, Ontario, Canada.)

According to same record, "they comprise the largest family on the Garden River Reserve, 143 out of 809 population."

Notes for DAVID BOISSINEAU:

Dave's daily activity varied depending on the Season and the weather. His major activitie was tourist guide; cooking for tourist who were hunting or fishing; freighting to or from the railroad; logging; fishing; trapping; and farm work. Use of his boat was often, this is how his son Harry learned about boats and motors, keeping his Dad boat up to par. The family used the boats for fishing; transportation; and for pleasure.

Dave made it a practice to cut their own ice on the bay each season, getting all they needed in seven days. Mary wrote in her diary that wolves visited the bay occasionally. In mid-March of 1916 she wrote they had seen 12 or 14 of them lined up on the ice about a quarter of a mile off shore.

In 1924, one of Dave's guest installed a radio in his cabin for his pay, during his stay. This was the Boussineaus first time hearing a radio.

Notes for MARY JANE CROCHIER:

Mary had a brother Joe (J.P.)Cruchier who was nineteen years younger than Mary, putting him born about 1881 or 1882, I have listed Jean B. Crushier, I'm not sure if this one is Joe, in time we will get our questions answered. Mary writes in her diary that when Joe was 15 years of age, he lived with Mary. Later he became a Tourist Guide. He first arrived in 1920, Mary stated she had not seen her brother in six years. Joe became real good friends with Harry, the Bussineaus oldest son, they had a great time together. Joe stayed on thru the summer and well into 1923 and 1924.

Mary Boussineau was a 'LITTLE BITTY WOMAN - quite stout, bus wasn't even five feet tall" She was a hard worker, doing all the cooking; mostly stews and roasts, but no steaks or fancy foods. Berry pies, apple pies and things like that was often made. Her home-made bread was a hit with the Tourist, her day revolved around meal preparation, baking and housework. HMMMMMMM, that sounds familiar.

Picking berries was an important tast with the family, I guess this is why my Mother loved picking berries, brought us into this style of living and I did this quite often with my family, as a matter of fact my girls are married and still go berry picking, they said they loved doing it when they were young and hope to pass this love on to their children.

Two years ago I went blue-berry picking with my Daughter Debbie and her kids, Mickalee, our Grand-daughter was three years of age at this time, she had been walking around putting a berry or two into her bucket, all of a sudden she spotted my bucket, full of blue-berries, she looked at her paid, looked at mine, looked around to see if anyone was watching her and decided to set her pail down and pick up mine, but I said, 'OH NO YOU DON'T, gramma worked hard on that pail, she just laughed and went on her merry way. In case you don't know who I am, I am Delores (payment) Hall, family tree researcher.

35. FRANCOIS XAVIOR⁸ PAYMENT (*LUCY⁷ BOISSINEAU, JOSEPH CHARLES⁶, JOSEPH MARIE⁵, JEAN BAPTISTE⁴, JEAN³, VICENT NICHOLAS², JEAN¹*) was born January 29, 1849, and died December 04, 1920 in Sault Ste. Marie, Michigan. He married HENRIETTE HARRIETTE ROBERT February 01, 1869 in Immaculate Heart, Garden River, Ontario, Canada, daughter of JEAN ROBERTSON and MADELEINE LESAGE. She was born August 16, 1847 in Drummond Island, Michigan, and died May 05, 1929 in Sault Ste. Marie, Michigan.

Notes for FRANCOIS XAVIOR PAYMENT:

This came out of the Soo Evening News on F.X.'s obituary: When the earthly life of F.X. Payment, age 72, came to an end at his home in East Spruce Street. Sault Ste. Marie lost not only one of its esteemed citizens but it lost virtually its only remaining boat builder - a man who for more than two scores years phed his trade in his little shop near his residence 807 east Spruce Street.

Mr. Payments' death was due to an abcess which had formed in his head and which brought on paralysis. The funeral services will be held in St. Mary's Catholic Church on Tuesday morning at 8:30 a.m. with burial following in Riverside Cemetery - Sault Ste. Marie, Michigan.

"Knowing F.X. Payment all my life, I want to say that he was one of the most honorable men I have ever met." F.W. Roach told the News today, and the sentiment is the same as has been expressed by many other who knew him most intimately.

The largest vessel built by Mr. Payment was the government tug, "West Neebish" A large number of small craft which yet ply the river are the products of his skilled labor. The coming of the automobile, which superceded the river craft tp a large extent, severely crippled the boat building business and that fact, together, with advancing age, practically put a stop to a work in the little shop of Mr. Payment.

The birthplace of Mr. Payment was in Montreal. He came to the Sault when he was five years of age.

Surviving members of the immediate family are his wife and two sons, Charles and Frank of Sugar Island. The two sons were at the bedside when death came.

Their is a stained glass windown, located behind the Altar of St. Mary's Church that was donated by F.X. Payment, it was said he helped build the Altar and most likely many hours of his talents of carpentry also went into the building of the Church. What is interesting is how the carpentry trade or work of art thru wood led on down thru further generations.

Mr. F.X. Payment was not listed in a book written by Susan Payment, but just before her work went into print, Delores (Payment) Hall of Muskegon did contact her and gave her several Payment's names. She did not even know that Payment family's lived in Sault Ste. Marie, Michigan. Plus their was a large Payment

family that grew up near Traverse City, Michigan, this Payment, who was also Francois Xavior Payment, was a cousin to F.X. Payment, and apparently he came with the family from Montreal to New York, where he remained and joined the service, once out moved his family onto Traverse City. I hope to share this with you in this book. Joseph Payment was a brother of F.X. Payment, his family also remained in New York, except for a son, Philibert Payment, once Jose's wife, Emily passed away he returned to the soo and moved onto to Sugar Island with his daughter Victoria, who was a school teacher, once Joseph passed away, Victoria moved onto Detroit to remain with her brother Moses, til she died. You can see the strong family ties here. I have much more of Joseph and his family to be included thruout my work.

Notes for HENRIETTE HARRIETTE ROBERT:

From the Soo Evening News we located much history of the past, like this obituary: Mrs. Harriett Payment, aged 81, and a life long resident of Chippewa County, died Sunday morning at the home of her Son - Charles of 806 Cedar Street. After a year's illness with cancer. She was the widow of Frances S. Payment.

Mrs. Payment was born on Drummond Island, August 16, 1847. She was the Mother of two sons, Charles of this city and Frank of Barbeau, both of whom survive. She was a member of St. Mary's Catholic Church. Mrs. Payment took a keen interest in church affairs and was known as a kindly neighbor and friend of the poor. She was a member of the League of the Sacred Heart.

Harriet also ran a boarding house where her husband built boats. The boarding house was for men who worked at the Union Carbide Plant. What is interesting in 1976 Delores (Payment) Hall and her husband bought a home in the Lakeside area of Muskegon, Michigan, it wasn't til later they learned the Gramma had a boarding house their, for men who worked at the Paper Mill. Once they got up and went to work she would change sheets and get it ready for the next shift coming off from work. They say History repeats itself, Delores did not make her home into a boarding house, but once her children started to leave, abd she had a vacant bed-room, she and her husband would take in elders who were without a home. Cecil Alexander lived with them for eight years.

When Francis and Haenretta got married they were witnessed by a Joseph Lesage and Mary Lesage. We are trying to figure out relationship, but so far not much luck.

The little girl was afflicted with the disease a couple of weeks ago, but had apparently recovered when she was taken with frequent bleeding spells from the nose. The funeral was held from the home this afternoon, no one except the members of the household being allowed to be present, even the family being decied the privilege of accompanying the remains to Riverside Cemetery where they were interred.

Interment will be in the family lot in Riverside cemetery.

Cause of Zoie's death was ruled - CHRONIC MYOCARDITIS

A grand-daughter to Zoie, Arlene Egert said she recalls Zoe living with them, that they lived over a grocery

store. As a matter of fact, Arlene was sleeping with Zoe, when show got up the next morning found Zoe had died in her sleep. A daughter to Zoe, Olive Payment worked at a bar, she could not recall the name but something that sounded like the bucket of blood: She recalls Zoie wanted Olive to bring her a pickled egg and a beer when she got off work. Arlene was also told Aunt Olive seemed to be Zoie's favorite. We as parents love all our children, we try not to show favoritism, and don't really feel we do, but in the eyes of some of the other children, they feel neglected, for this we are deeply sorry, for sure it was not our intention.

Zoie's hair was white and had it cut in a dutch boy style. She often sat in a rocking chair with one leg tucked under her body, other Grand-children often commented they do the same, is this heredity?

Witness to Zoie's and Frank's marriage was Joseph Henry Lessard & Aimee Gross

Notes for CHARLES PATRICK PAYMENT:

From the Soo Evening news obituries we find a Charles Patrick Payment of 806 Cedar Street - Lockmaster of the St. Marys Falls Canal, died at his home at 8:30 Sunday night following an illness that had its beginning when he fell at his work, a year ago.

Charles spent all his life in the Sault having been born here i 1875. He started to work on the locks September 13, 1909, as a laborer, and served until the spring of 1925 when he was made lockmaster. His death brought to a closing of his 21st season at the locks.

You will also find he leaves behind his widow - Julia; two sons Charles abd Hoyt, all of the soo and one Sister Elizabeth Gingrich of Detroit and one brother Frank of Barbeau. Elizabeth does not show up in any census with his parents Harriet and F.X. Payment, but we later learned, Charles was adopted by Francois and Harriet, Elizabeth, apparently was old enough to get married, rather than be adopted out. Charles real Mother was a Sister to F.X. Payment, Isabelle Payment who went by Belle. Belle was married to David Tate who drowned and his death she took very hard, so in helping out his Sister, a decision was made for

the adoption. Belle later married Ben Pritchett and when she died Elizabeth was with her. Again we find strong family ties.

*****Charles Patrick Payment was the son of Isabelle Payment, later married Ben Pritchett- Francis Xavier Payment and Hariett adopted Charles. He also had an older sister Elizabeth - Madeleine, Charles daughter, said she wasn't sure if Elizabeth was adopted out or not. She married Mr. Gingrich. The Mother married Tom Tate and they had a son Roland, Tom drowned during a tug-boat accident and Roland was adopted out by another sister, Josephine Pink.

Notes for JUNE PAYMENT:

SHOT INTENDED FOR HEN GOES THROUGH HEART
7-Year-Old JUNE PAYMENT CRUMBLES TO FARMYARD AS RIFLE IS
DISCHARGED

GUN HELD BY HER SISTER

Seven-Year-old June Payment of Barbeau was accidentally killed at 9:25 am today by a bullet from a .22 rifle in the hands of her sister, Anna Payment, 17.

Preliminary examination indicated that the bullet, intended for a hen which was to have been prepared for dinner, pierced the girl's heart. She crumpled on the4 farmyard without a sound, putting tragic end to youthful laughter and play at the rear of Eli Payment's home one mile east of Barbeau corner on the Neebish road.

Grief-stricken parents and witnesses this morning told the story to Deputy Sheriff John McKee, Coroner E.A. Cornell and Prosecuting Attorney alvin Dimma, Coroner Cornell said there would be no inquest.

WERE TO SHOOT CHICKEN

The accident occurred soon after the Payment children had declined to use the gun to shoot a hen Grain

had been thrown in the back yard and attempts were made to get a line on the one which was to be shot. Charles Cartwright, 21 a neighbor was to do the shooting. The hen became separated from the other chicken to the backyard and Cartwright placed the loaded gun against the house and went to the woods adjoining the house to kill the chicken. While he was doing this Anna took the gun, cocked and decided to practice. She was about to fire at a barrel to the east of the house, in the opposite direction from where June was standing. She suddenly changed her mind, swung around to fire at an old oil stove wick, which looked like a rusted tin can, hanging on the limb of a tree. As she swung around the gun went off and up, evidently going through the heart.

The father, Eli Payment, hearing the shot, turned around to see June crumpling up on the rise of ground where she had been standing. Witnesses say that no sound came from her.

SAW DAUGHTER FALL

Mr. Payment in telling about the accident this morning said he was repairing a block for a hay pulley some fifty feet or so in the rear of the house at a bench under some trees. John Page, neighbor boy, was helping him. The children were chasing the chicken in the back yard but his back was turned while he was at work. He heard the shot and turned around just in time to see his daughter crumple to the earth. June had just come around the northwest corner of the house and was standing on an elevation of ground about 18 feet from where Anna stood with the rifle. The position of the bullet hole indicates that she may have turned slightly to the left to observe the direction in which Anna intended to shoot at the wick in the tree. The hole made by the bullet entering the girl's body appeared so small that the parents and neighbors could not at first believe that death had come.

An examination of the trigger of the rifle revealed that it was very sensitive and could be fired with but slight pressure.

IN SECOND GRADE

June Payment was in the second grade of the Barbeau school. She is the youngest of a family of six children and was called "Juny" by the others. Surviving besides her parents are two brothers, Edward 21, and Thomas 5; and three sisters Beatrice, 18, Anna 17, and Pearl 13.

All the members of the family except Edward and Beatrice were at home at the time of the accident. Edward was working on Edward Lundy's farm nearby, while Beatrice was in the Sault at the home of John Landman, 710 Eureka street, where she has been staying for several days.

The Payment services will be Friday afternoon at 2:30 at the Barbeau Catholic Church. The body will remain at the Newhouse Funeral Home until tomorrow afternoon. Burial will be made in the Barbeau cemetery.

Notes for DOREEN PAYMENT:

Doreen Payment, 8 year old daughter of Mr. and Mrs. Russell Payment died at 8:30 Wed. evening. She was conscious under her death. Her Mother, Pearl Payment, was in the War Memorial Hospital suffering from burns as the result of an oil stove explosion in their home on Sugar Island near Brassar.

The explosion occurred about 3:30 in the kitchen of the home where she and her mother were preparing supper. The explosion showered the two persons and the kitchen with flaming oil.

The kitchen of the cottage and part of the upstairs was damaged. Doreen and her Mother was rushed to the Sugar Island ferry dock where they were met by Miss Hilma Asikainen, county nurse, who took them to the hospital.

The condition of Mrs. Payment, an expectant mother, was considered not serious today although she is suffering from severe burns on the left leg, abdomen and chest and from shock.

Doreen's funeral was held at St. Mary's Catholic Church. She is buried at Riverside cemetery. The body, up to the funeral time, was at the home of Thomas Payment at 924 Maple Street, Sault Ste. Marie, Michigan.

Miss Payment graduated from the second grade, the year of her death. She was born on April fools day.

Leo was the oldest child in the Payment family. Delores, his sister, moved on to Muskegon, Michigan where they remained. At a visit, to the Soo, about, 1981 or so, Leo saw Delores's daughter, for the first time in a few years, when he first layed eyes on her, he said " Debbie had the eyes of Doreen, as a matter of fact, she brought memories back to her Uncle Leo, as he said, it was like Doreen was walking into his home.

If you take the Sugar Island ferry to Sugar Island, drive straight, to the bottom of the hill, on Sugar Island, turn left and go all the way to the end. This is where the home existed, but today, just vacant land.

- iii. GLEN OLIVER PAYMENT, b. August 22, 1927, Sugar Island, Michigan; d. July 12, 1959, Sault Ste. Marie, Michigan.

Notes for GLEN OLIVER PAYMENT:

The body of a young man identified as Glenn Oliver Payment, 31, of 1115 Ashmun Street, Sault Ste. Marie, Michigan, was recovered from the Carbide Power Company canal early in the morning.

His father, Russell Payment, had reported his son missing since 8:45 p.m. on Sunday. Sault police were on the lookout for him all day Monday. His watch, that Glenn was wearing stopped at 11:05.

Chester Allen of 919 John Street, shift foreman at Carbide Power, notified police at 6:15 a.m., at the discovery of a body on the racks north of the Portage Avenue bridge. Police officers were sent to the scene and helped recover the body which was removed to the Bailey-Newhouse Funeral Home.

Municipal Judge James J. Fenlon acted as coroner in the case. The body was the second recovered that week from the racks at the canal.

Glenn Oliver was employed at the Cadillac Soo Lumber Company until it closed operations. He was single and a member of St. Joseph's Church and Holy Name Society.

Russ and Pearl Payment owned and operated at Grocery Store on Ashmun Street. On Saturday evening, Delores and her brother Gary went to the movies, Glenn followed them as far as Dalmonte's Grocery Store. This was often done by Glenn, even though his parents sold cigars, it was a daily walk for Glenn to go to Dalmonte's where he could chat with them, then return home. His cigars were purchased from Dalmonte's store.

This time, Glenn did not return home as usual. Pearl, his mother, was in the hospital, his father Russ Payment waited til Delores and Gary had returned home, as he had figured we may have taken him with us, but they didn't even know, Glenn was behind them. Another brother Russ, had attended the second show that same night with his girl, upon returning home, he was shocked with the news, so Leo was then called, police and other members of the family went up and down streets, trying to find Glenn. The best we can figure out was that Glenn fell off of the Ashmun Street bridge and his body was recovered on Tuesday.

When Glenn was in the 6th grade, he was in the back yard of his Grand father's place, he had stopped to pick up something from the ground, and his Grand-father's pride bull nudged him with his nose, causing Glenn to stumble, in trying to get up, he rammed his head into a large tree. Much damaged was done and Glenn faced many trials in life. The Doctors told his parents to just take him out of school, as his memory was affected. When he got a job with the Cadillac Lumber Company he was so proud and happy, he bought his parents one of the newest items which came onto the market, a colored TV, not too many people could afford one, so Glenn was quite proud of his purchase.

Notes for CHARLES LEROY HALL:

How did we meet? Charles joined the Air Force to see the world, but instead they transferred him to Kincheloe Air Force Base, Kincheloe, Michigan, near Sault Ste. Marie, Michigan. I was going into this restaurant on Portage Avenue, this is now a pizza place here in 2001, which is the time I am typing this. In the year of 1963, this was a great hang out for teenagers. One night I walked into the restaurant and started talking with the gang, Phyllis, who was married to Dave Anderson, she spoke up and said, I told you she belongs to him. I spoke up and said, Phyllis I said could trying to find me a date, I am OK.

One day I was with Regina Brosco and we had went to the Root Beer stand, just as I drove in, Phyllisa ran over and said, I can't believe this, he just left, I just laughed and said oh well.

Then one day I was out driving around in my brand new convertible, I saw my cousin walking Ilene Lamma, I pulled over and ask her if she wanted a ride, she said yes! Jumped in, I ask her where she was going and she said actually I have nothing to do, so could I just ride with you and I said sure. In those days we did not have much to do, except roller skating and I never did learn that but wouldn't you know, this was where Charles hung out. Well the night was young for Ilene and I, the next day was Sunday, after Mass I was cleaning up with the dishes and Ilene called and ask what was I going to do, I had said really nothing, so she said she was walking down to my house and we could make plans for the day, after she arrived I was making a chocolate cake with boiled frosting, this was a must that I had to do every Sunday, make some kind of dessert, before I left for the day. Then we got into the car and I started to drive away, when all of a sudden Ilene ask me to drive around the block, so I did, not knowing why, just did it, got back onto Ashmun Street, passed the store and then she ask me to pull up behind this black car. When she said that I knew what was in store for me, sure enough out came two guys, Ilene got into the back seat with Bob and this other guy got into the front seat. However I fell in love right away, just as Grampa Hall said in his report. I had prayed to God to send me a good-looking guy, this was important to me, and this guy was good looking.

I drove off and started down main street, but did not feel comfortable driving a car with this guy on my left, so I ask Bob; "Hey do you have gas in your car", sure he said, but we don't have a radio. So I said let's go back to my house and I will make a trade with my brother Gary. So I drove in front of the store and ask Gary if I could trade with him, he acted disgusted with me and said :What do you want" I said I would like to trade that radio of yours for my car for the night", well he about pulled me out of the car, he loved that idea. so we took the radio and went down to Bob's car. We drove through main street a couple of times and the guys then drove to the bowling alley; the men took off, I ask Ilene where did they go and she said I have no idea. so we went looking, around the corner the two boys had taken all the money they had, had taken it out to see if they had enough money to take us to the drive in theater. they did, but I had to buy my own pop-corn, he, he, what a guy.

The movie was "Elvis Presley" in (I forgot, but it will come to me) Charlie tried to kiss me, but I was very religious and all I said was "Say now!" Ask him, he will tell you the truth.

The following week end we made plans, the four of us, Came sunday, Ilene came over and told my Mother she had to go to Marquette and that she could not go, unless I drove her, so my Mother came to me and told me to drive Ilene to Marquette. I said I can't as chuck was coming over, but Mother did not like the idea he was in the Service and would marry and take her daughter away, so she said, "I have spoken" and when she spoke, we listened. Ilene promised me we would be back in time for our dates. so onto Marquette we went, not arriving home til about 6 p.m., the date was for 2 p.m. when I got home, my Mother said, this damn hairy legs man have been here every hour, "are they back yet???" All of a sudden here was the guys; Ilene came to me and said, I" don't want to go out with Bob, and I said but I want to go out with chuck, so she went to the store and told Charles, and Charles talked to Bob, Bob left. I was in the kitchen, again doing my dessert for the day, when I ask Charles if he wanted a piece of cake, he said no, but Ilene said she wanted one, so she took one, went out to the store and offered Chuck a bite, and he said, wow! I have a piece of cake too! We got into my car and drove down town, but this time I ask Charles if he had his driving license, he said yes! So I ask him if he would like to drive the car. Well he was like Gary, just about pushing me out of the drivers seat, Ilene ask Charles to drop her off, so when we dropped her off, Charles and I exchanged seats. the next day charles called me at work, to ask me "How much money do I make" He was trying to figure out if we could afford to get married, pay rent, buy food and the whole nine yards.

On the 3rd day of our date we was setting a date for the wedding. October 19th was the day; now that is another story, but for now, I just wanted to share with you how we met.

In 1965 I got pretty sick, Lisa was just one month old, Charles had to take me to the hospital, Dr. Allen was my Doctor at the time, he said we are going to admit you, you have gall bladder problems. so I called Mom, as she was baby sitting Lisa, I ask Mom to find someone to take Lisa as I was admitted into the hospital, Mom said, "If you take this little girl away from me, I will never speak to you again" I said, Mom you have Lisa, I am here in the hospital, so the decision is yours. After two weeks being into the hospital, Dr. Allen came in and said they were going to "Airvac" me to Dayton Ohio, so I ask him "Why", Why are all these ladies coming into this hospital, having the same surgery, after three days going home and they are older then on, so he said the reason is, it is much harder on a younger person having this surgery, plus we can't see your gall-bladder, so we are going to send you to the specialist. I was "Airvac", while on a stretcher, with about six other patients. One being Brenda Thompson which we became very good friends, I was admitted and put into a room with 28 other ladies. The next day my name was paged to go to such and such a room, Charles said I will be right here waiting for you, when I returned I had a tube running down my nose and tied so it would not fall out. Chuck looked at me and said, "What happened!" I just laughed. the next day was surgery, Charles could only see me ten minutes out of every two hours, as I was on the critical list, not expected to live, the ladies down stairs kept Charles busy so he would not worry as much, they played cards with him, he really had a great time.

Dr Blaunt, a Black Doctor, was one of my Doctors, I had four others, but Dr. Blaunt was the one who visited me every day and was really worried about me, he even told me being in the Air Force you see patients come and go, but you are my first one I have had for so long, and Kid, he said, I will miss you. He said they were talking about giving me a blood transfusion, when all of a sudden I took a turn for the better. Two weeks after the surgery I was discharged. the problem was It was Friday and the "Airvac" left on Thursday and would not arrive til the following Thursday, so Charles ask the Doctor if he could drive me as far as Wabash Indiana, then on to Sault Ste. Marie, and the Doctor agreed with this move. So we drove to Indiana and stayed a night with Mom and Dad, left the next day for Sault Ste. Marie. when I went for my ten days check up, to all, a great surprise, I was pregnant. Here I was pregnant when I had surgery and not one of the five Doctors caught that one, but it was for Duane and he was born healthy as ever.

TWO HURT IN ALGONQUIN DUPLEX FIRE

Taken from Soo Evening News/Friday Oct.9,1992

SAULT STE. MARIE - Two Sault residence remain in critical condition at the University of Michigan Burn Center in Ann Arbor today following a fire which completely gutted their duplex.

Tina Pavlat, 20, and her two-year old son Jordan were injured when a home, owned by the Sault Ste. Marie Housing Commission, caught fire around 11:58 a.m. Two fire engines and three ambulances were dispatched to the residence at 2314 Andary Ave. in the Algonquin portion of the city.

City fire officials report that it took about 15 minutes to bring the blaze under control. The fire caused extensive fire, smoke, and water damage to the unit.

Upon arrival, firefighters were advised that there were people trapped in the home; they found the young

boy unconscious in an upstairs bedroom, and the mother was in the kitchen area. Both were taken to War Memorial Hospital then transferred by air to the burn center in Ann Arbor.

The duplex has been sealed off and investigators from the city fire department and the State Fire Marshal's office are searching for the cause of the blaze.

Pavlat's side of the duplex was gutted by the fire and the other half of the building suffered extensive smoke and water damage.

Sault Housing director Pat Shimmens said the remaining three members of the Pavlat family are staying with relatives but her commission expects to set them up on another unit Monday. Residents of the other side of the duplex, she said, were a mother and three children and suffered extensive smoke damage to furniture and clothing.

The commission office at 608 Pine St will act as a clearing house for donations which are needed for Pavlat family in particular since every-thing was ruined, she said.

They need furniture and all household effects, from sheets to dishes, she said, plus clothing for a plus-size woman, size 12 clothing for Tina Pavlat; clothing for a girl, Tammy 11, and a boy Andrew 5, and for two year old Jordan. The housing office is closed over the week-end but people may drop off their donations this afternoon or Monday morning. If they have furniture and no method of moving it, the commission has a truck which could pick up the items.

The other family also had most of the furniture smoke damaged and clothing ruined. The main needs there, she said, are beds for the two boys, aged 9 and 11, wearing a 10 slim and 8 regular.

Children of TINA ANDERSON are:

- i. ANDREW¹⁴ PAVLAT.
- ii. JORDAN PAVLAT.
